Our return policy is based on three categories of merchandise:

- **Non-returnable:** Customized or imprinted items and blank lanyards.
- **Returnable within 15 days:** All technology products including, without limitation: printers, scanners, wireless technology and accessories. A restocking fee may apply.
- **Returnable within 60 days:** All other products.

Product Return Requirements

- Return Merchandise Authorization (RMA) number must be written on the outside of the box with the exception of all printers. When returning printers please complete our return form and place inside of the product box. Return form is included with every invoice or available to download online.
- Items must be returned in the same increments they were sold.
- Returned items must be packaged in the original manufacturer's packaging (both inside and outside), including manuals, cables, warranty cards, etc.
- The returned item must be clean with no scratches or visible signs of use.
- Customer is responsible for all return shipping expenses.
